Dear Devotee,

Namaste,

I begin with a story that my grand mom shared with me about a kingdom where people were very happy. There was no shortage of material pleasures of any kind. But as they say, the only thing permanent in the nature is change. So was the case with kingdom. An acute famine struck and even the richest people were reduced to begging on the streets. In these pressing times, the king, did not know what to do. He tried all measures, but in vain. One day, the king was traveling through a jungle. There he found an old sanyasi who advised the king to pursue the only option on hand v.i.z to fill the well with milk (dried because of draught) on the night of the coming Amavasya.

The sage assured that if the people in his kingdom can put enough milk into the well to fill it up to the brim, then the kingdom will be saved. The king saw a ray of hope and announced asking each family to put one bowl full of milk into the well on the upcoming Amavasya night. Trusting his people, the king thought that the end to all the plight of his people was imminent. So dark was the night that nothing could be seen clearly. But, people in the kingdom did come forward and each family brought forth one bowl full of milk and poured it into the well in the darkness of the night.

During the early hours of the next morning, as the first rays of the Sun fell on the ground, the king eagerly set out towards the well, hoping that his wishes were fulfilled. To his utter surprise, he saw that the whole well was filled with water! There was not a single drop of milk in it. Every family in the kingdom had put one bowl full of water into the well, thinking that their contribution was not that important since the others were already contributing their bit. Alas! Each one of them thought so, while contributing only water. And, as you might have guessed, the kingdom perished– only for the lack of one bowl of milk per family!

So, next time, when we get an opportunity, let us make sure to put our bowl of milk into the well. It does make a big difference! Our Temple is primarily run by seVaks. Most of the activities in the temple are carried out by the dedicated efforts of seVaks. By volunteering your time and effort, you can make a difference in the temple. The Education, Religious, Welcome Desk, Cultural, Maintenance, Public Relations and Youth committees are some of the committees where seVaks are needed.

Students can apply the volunteer hours they spend at the temple towards any school volunteer requirements.

Talking of seVaks, the Maha Shivaratri celebration went flawlessly due to the efforts put in by the Rithviks and seVaks. Now seVaks are working with Regional associations to celebrate the Holi festival on Feb 28th and raise money for Haiti relief. Please attend Rang Barse Holi 4 Haiti Mela and contribute your bit towards the humanitarian effort. Starting March we have several religious and cultural functions. The Annual Akhand Ramayan celebration is slated for March 27th. Sign up for overnight reciting opportunities of Akhand Ramayan.

Planning is underway for HTCC World Peace Yagna on May 16th as part of the Temple Anniversary. People of all faiths are invited to attend. Up to now, in the USA only 9 temples have had the opportunity to perform a Yagna at this scale. Please watch for more details next month.

We are blessed to have such great opportunities to rejoice the glory of the Lord. Therefore I urge everyone to participate and attend temple events.

Are we on the correct path? Send us your feedback...it matters.

May the Lord Shine on you with His bountiful grace,

His Child,
Ravi Mehra
seVak.

Request from seVaks

There have been couple of incidents when temple activities were halted for many hours in afternoon. It was due to a fire alarm being pulled. One may think it was caused by a minor fire but it was actually caused by a child. Well, the child was not playing

with fire but he was playing with the warning sign on the wall which says “Please pull when there is a fire”. There was no fire ... no where. The child was just playing in the temple unattended. Kids play in the temple all the time but they shouldn’t. If a child is causing a problem, his/her parents should take the responsibility. This didn’t happen yet but we all would like to see this into action going forward. We do not want the devotees to get effected by someone else silly mistake.

We have security cameras in the Temple which capture every second of the day and they are recorded. Temple’s seVak (Volunteers) are busy maintaining and enhancing the services for our devotees and do not feel that they need to be watching the kids activities in the temple too and go around chasing their parents for their kids action. May we request parents to take the responsibility?

The false fire alarm which happened for the third time in the past six months has caused Temple disruption in service and unnecessary financial burden. The Temple had to pay for the false alarm which wasn’t required. We request our community to please watch for young innocent children and keep them away from the fire alarm and do not leave them unattended for everyone’s safety.

We have also found a broken closet door in the classroom in the past and we are not sure why somebody would like to do this in their Temple. We have instances captured on security camera but do not feel that they need to be shared with authority. We are a small community in the Kansas City and would like to spread only the best qualities of our temple to the outside.

We request the community to please be at their best behavior when they are in the temple and help us prosper.

HTCC seVak

The Hindu Temple and Cultural Center of Kansas City proudly celebrated Maha Shiva Rathri on February 12th. Maha Shivratri is a festival celebrated every year on the 13th night/14th day in the Krishna Paksha (waning moon) of the month of Maagha (as per Shalivahana or Gujarati Vikrama) or Phalguna (as per Vikrama) in the Hindu Calendar This festival is one of the most important festivals for millions of devotees of Shiva. The festival is principally celebrated by all day fasting and an all night long vigil, poojas for Shiva Linga and giving a sacred bath with milk, honey, etc.

The HTCC celebration started at 6 PM and ended at 12:30 AM. The air was thick with the constant chanting of mantras by the Rithviks and Bhajans by various groups from the greater Kansas City area. The Bhajans by the Bal Vihar kids was especially delightful. Over **200** families

sponsored Samoohika pooja. Devotees sponsoring the pooja patiently waited for their turn to enter the sanctum to perform the pooja. Due to the large turnout of devotees, the SeVaks had to manage the crowd so that everyone could witness the pooja with the least disruption to the priests and the Rithviks and other devotees. There was a constant flow of people in the temple. An estimated crowd of approximately 1,000 devotees graced the temple during the festivities. It was a great experience for everyone. The evening ended with the Lingam Archana and the Maha Mritunjiya Jaap.

The entire pooja was webcast and streamed for the benefit of the devotees who could not attend the functions in person.

The Welcome Desk was manned by various seVaks throughout the evening, answering questions and spreading the word about the annual membership drive. The Youth Group had their own Shivrathri party, with over 40 kids. The kids enjoyed in the fellowship hall with various games, snacks, etc. Looks like they had a lot of fun – judging from the pictures!

The temple SeVak Committee would like to thank all the sponsors for the pooja and the prasad, Rithviks and their families and the Sevaks for their time, effort and more importantly flawless execution of the evening's events. The feedback from the community has been very positive especially considering the large number of

devotees who thronged the temple to seek the blessings of Lord Shiva.

Pictures of the event can be seen online

Ugadi / Gudhi Padwa Celebrations

Tuesday, March 16th - 6:30 PM – 7:30 PM

It's Ugadi in Andhra & Karnataka!

The Telugu and the Kannada New Year falls on the first day of the month of Chaitra (March-April). People in Andhra Pradesh and Karnataka states in the South of India believe that Lord Brahma began the creation of the universe on this auspicious day of Ugadi. People prepare for the New Year by cleaning and washing their houses and buying new clothes. On the Ugadi day they decorate their houses with mango leaves and “rangoli” designs, and pray for a prosperous new year, and visit the temples to listen to the yearly calendar - “Panchangasravanam” as priests make predictions for the coming year. Ugadi is also an auspicious day to embark on any new endeavor.

Bring in the Goodies on Gudhi Padwa in

Maharashtra!

In Maharashtra, the New Year is celebrated as Gudhi Padwa - a festival that heralds the advent of spring (March-April). Early on the morning of the first day of the Chaitra month, people finish their ablutions, wear new clothes and decorate their houses with colorful “rangoli” patterns. A silk banner is raised and worshipped, and greetings and sweets are exchanged. People hang “gudhis” on their windows on this day to celebrate Mother Nature’s bounty. A “gudi” is a decorated pole with a brass or a silver vessel placed on it.

Due to the rapidly increasing number of students, Hindi class is in urgent need of teacher volunteers. It is voluntary work every Sunday, but very satisfying as you are helping the children in our community learn their native language. If you are interested, please contact:

Hindi Class Now enrolling for 2010-2011

न हि ज्ञानेन सदाश पवित्रमिह विद्यते

Since last five years Hindi Class is being conducted every Sunday from 11:00 AM till noon in the temple. Hindi class has started with the intention of helping children of Indian community to preserve their Native language. Ignoring the importance of native language, or neglecting their cultural values is, in a way, to deprive your children of their cultural identity.

In Hindi class we also try to keep them connected with their main festivals and other cultural issues. By bringing your child/children to the Hindi class you are planting cultural seed in them. You might not realize the significance of it now, but it is benefiting your child in a long run.

The enrollment for the Hindi Class (August 2010 to May 2011) is now open. We will keep the enrollment open till end of July. There is a \$10.00 donation to the temple for each child each month.
